

journal of integral equations pdf

Integral Equations and Operator Theory (IEOT) is devoted to the publication of current research in integral equations, operator theory and related topics with emphasis on the linear aspects of the theory. The journal reports on the full scope of current developments from abstract theory to numerical methods and applications to analysis, physics, mechanics, engineering and others.

Computational Methods for Differential Equations (CMDE) This is to announce that according to the authentication letter numbered 3/18/64395 dated 22 June 2016 issued by the Iranian Ministry of Science, Research and Technology, the Computational Methods for Differential Equations (CMDE) is ranked as "Scientific Research" Journal. Moreover the CMDE is indexed by the well known databases such as ...

Computational Methods for Differential Equations

Journal of Mathematical Modeling (JMM) publishes original high-quality peer-reviewed papers in all branches of computational or applied mathematics. It covers all areas of numerical analysis, numerical solutions of differential and integral equations, numerical linear algebra, optimization theory, approximation theory, control theory and fuzzy theory with applications, mathematical modeling in ...

Journal of Mathematical Modeling (JMM)

Pure and Applied Mathematics Journal (PAMJ) is a mathematical journal for publishing early, high-impact results in the areas of mathematics and computer science/informatics. The journal also emphasizes mathematical articles devoted to the mathematical treatment of questions arising in physics, chemistry, biology, engineering and all applied sciences.

Pure and Applied Mathematics Journal :: Science Publishing

International Journal of Theoretical and Applied Mathematics (IJTAM) is a peer-reviewed journal on all areas of theoretical and applied mathematics and methods to solve problems in engineering, natural sciences, and business through mathematical, computational and statistical methods. Topics of interest include, but are not limited to: pure mathematics, applied sciences, approximation theory ...

International Journal of Theoretical and Applied

Abstract: We study the well-posedness of second order Hamilton-Jacobi equations with an Ornstein-Uhlenbeck operator in \mathbb{R}^N and $\mathbb{R}^N \times [0, +\infty)$. As applications, we solve the associated ergodic problem associated to the stationary equation and obtain the large time behavior of the solutions of the evolution ...

American Institute of Mathematical Sciences

Int. J. Appl. Math. (IJAM), pISSN 1311-1728, eISSN 1314-8060 Editor-in-Chief: Virginia Kiryakova (ijam@diogenes.bg) Managing Editor: Svetoslav Nenov IN MEMORIAM to Prof. Drumi Bainov: IJAM Editorial

Article, Article in IJPAM The journal is peer-reviewed and publishes carefully selected original research papers on all scopes of mathematics and its applications: combinatorics, design and ...

International Journal of Applied Mathematics

Abstract: S-systems are simple examples of power-law dynamical systems (polynomial systems with real exponents). For planar S-systems, we study global stability of the unique positive equilibrium and solve the center problem.

American Institute of Mathematical Sciences

Maxwell's equations are a set of partial differential equations that, together with the Lorentz force law, form the foundation of classical electromagnetism, classical optics, and electric circuits. The equations provide a mathematical model for electric, optical and radio technologies, such as power generation, electric motors, wireless communication, lenses, radar etc. Maxwell's equations ...

Maxwell's equations - Wikipedia

The boundary element method (BEM) is a numerical computational method of solving linear partial differential equations which have been formulated as integral equations (i.e. in boundary integral form). including fluid mechanics, acoustics, electromagnetics, fracture mechanics, and contact mechanics.

Journal of Marine Science and Engineering (ISSN 2077-1312) is an international peer-reviewed open access journal of marine science and engineering published quarterly online by MDPI.. Open Access - free for readers, with article processing charges (APC) paid by authors or their institutions.; High visibility: Indexed in the Emerging Sources Citation Index (ESCI) - Web of Science and Inspec (IET).

Journal of Marine Science and Engineering - JMSE MDPI

The Table of Contents lists the main sections of the Mathematics Subject Classification. Under each heading may be found some links to electronic journals, preprints, Web sites and pages, databases and other pertinent material.
